What to wear for a head shot session…

- Bring shirts with different necklines, such as v-necks, button-up, crew necks, turtlenecks, etc.
- Bring long-sleeved, short-sleeved, and sleeveless, as well as sweaters. *Ladies, please avoid spaghetti straps.*
- Bring blacks, grays, dark colors, light colors, and off-white. *Avoid very bright colors, stripes, busy prints, pure whites, and logos on your clothing.*
- Please make sure your clothing is ironed or pressed. You will want to avoid wrinkled clothing!
- Please bring a hair brush, and wear very small earrings or studs if your ears are pierced. *Please avoid other jewelry, watches, etc.*
- You will want to use makeup. We can recommend a professional makeup artist if you like, or you can do your own. If you'll be using a professional, please come with a makeup-free face.
